Breaking Stalking Basics - Empowerment Through Education

- Duration: 1 - 1.5 hours.
- Format: An interactive slideshow, hardcopy handouts, brief Q&A session.
- **Bonus:** Six months of post-presentation consultation/support in handling stalking incidents.
- The basics presentation offers a comprehensive overview of stalking. It covers stalking definition, dynamics, statistics, myths, and contextualization. Gain practical skills in recognizing and addressing stalking behaviors, responding to disclosures, and essential safety planning. Utilizing the Awareness, Knowledge, Action (AKA) framework, this presentation encourages proactive mindsets and emphasizes the importance and validity of recognizing and responding to stalking.

Breaking Stalking Workshop - Prevention Through Action

- Duration: 2 - 3 hours.
- Format: An interactive slideshow, hardcopy handouts, Q&A session, open discussion.
- **Bonus:** One year of post-presentation consultation/support in handling stalking incidents.
- The workshop covers all topics in the basics presentation plus additional material such as case studies, stalking laws, building a coordinated community response, victim coping mechanisms, and extra safety planning strategies. It allows for a deeper dive into the nuances of stalking. Customized topics can be included based on your organization's needs and/or the community you serve.
